

Tampa International Airport to **Southbound I-275** and destinations such as St. Petersburg, St. Pete Beach, and Tropicana Field

1. As you exit the airport, get into one of the left two lanes when the roadway becomes 3 lanes;
2. Stay in these lanes and follow the signs to southbound I-275 St. Petersburg;
3. This ramp will put you directly on southbound I-275 (caution: the next exit is over 7 miles);
4. Cross Tampa Bay via southbound I-275 on the Howard Frankland Bridge; and
6. Follow signs, maps, personal directions, etc. to your destination.
